

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large white letters on a blue background, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" is on the left and the model "EOMKS120SHSM" is on the right. A tap icon with an "L" indicates low noise emission. The energy efficiency scale is shown as seven horizontal bars labeled A through G, with bar C highlighted in black and a white arrow pointing to it from the right. Below the scale, a speaker icon with "15 dB" is in a rounded box on the left, and a larger rounded box on the right contains "2554 kWh/annum". At the bottom left is the year "2015" and at the bottom right is "812/2013". A vertical number "560569" is on the right edge.
